

EPK
COMMISSIONER
DJ WYSEI

THE GIRL

Iwuagwu Ebere Pat popularly known as "Commissioner DJ Wysei by many who have followed her career from the moment it began. In another hand, some people call her the Drummer Queen with a Midas touch. The young and dynamic Nigerian female DJ breezed into the entire entertainment space in style when she became the youngest female DJ playing on radio (Wazobia Fm 95.1 Lagos), at a tender age of 20. With several high-profiled awards to her credit, Commissioner DJ Wysei, seems to be on the road to greatness.

WHAT MAKES ME A UNIQUE ARTISTE

Beyond being a DJ, Commissioner DJ Wysei is also a music producer, singer and a professional dancer whose craft is not limited to one aspect of the entertainment industry but describes herself as a complete entertainer with a full grasp of the game.

Not restricted to one genre of music, her style of play has been labeled by numerous fans as "magnanimous" because of her ability of getting a wide range of music in one playlist. This is one feat many of her contemporaries struggle to attain despite being in the industry years ahead of her.

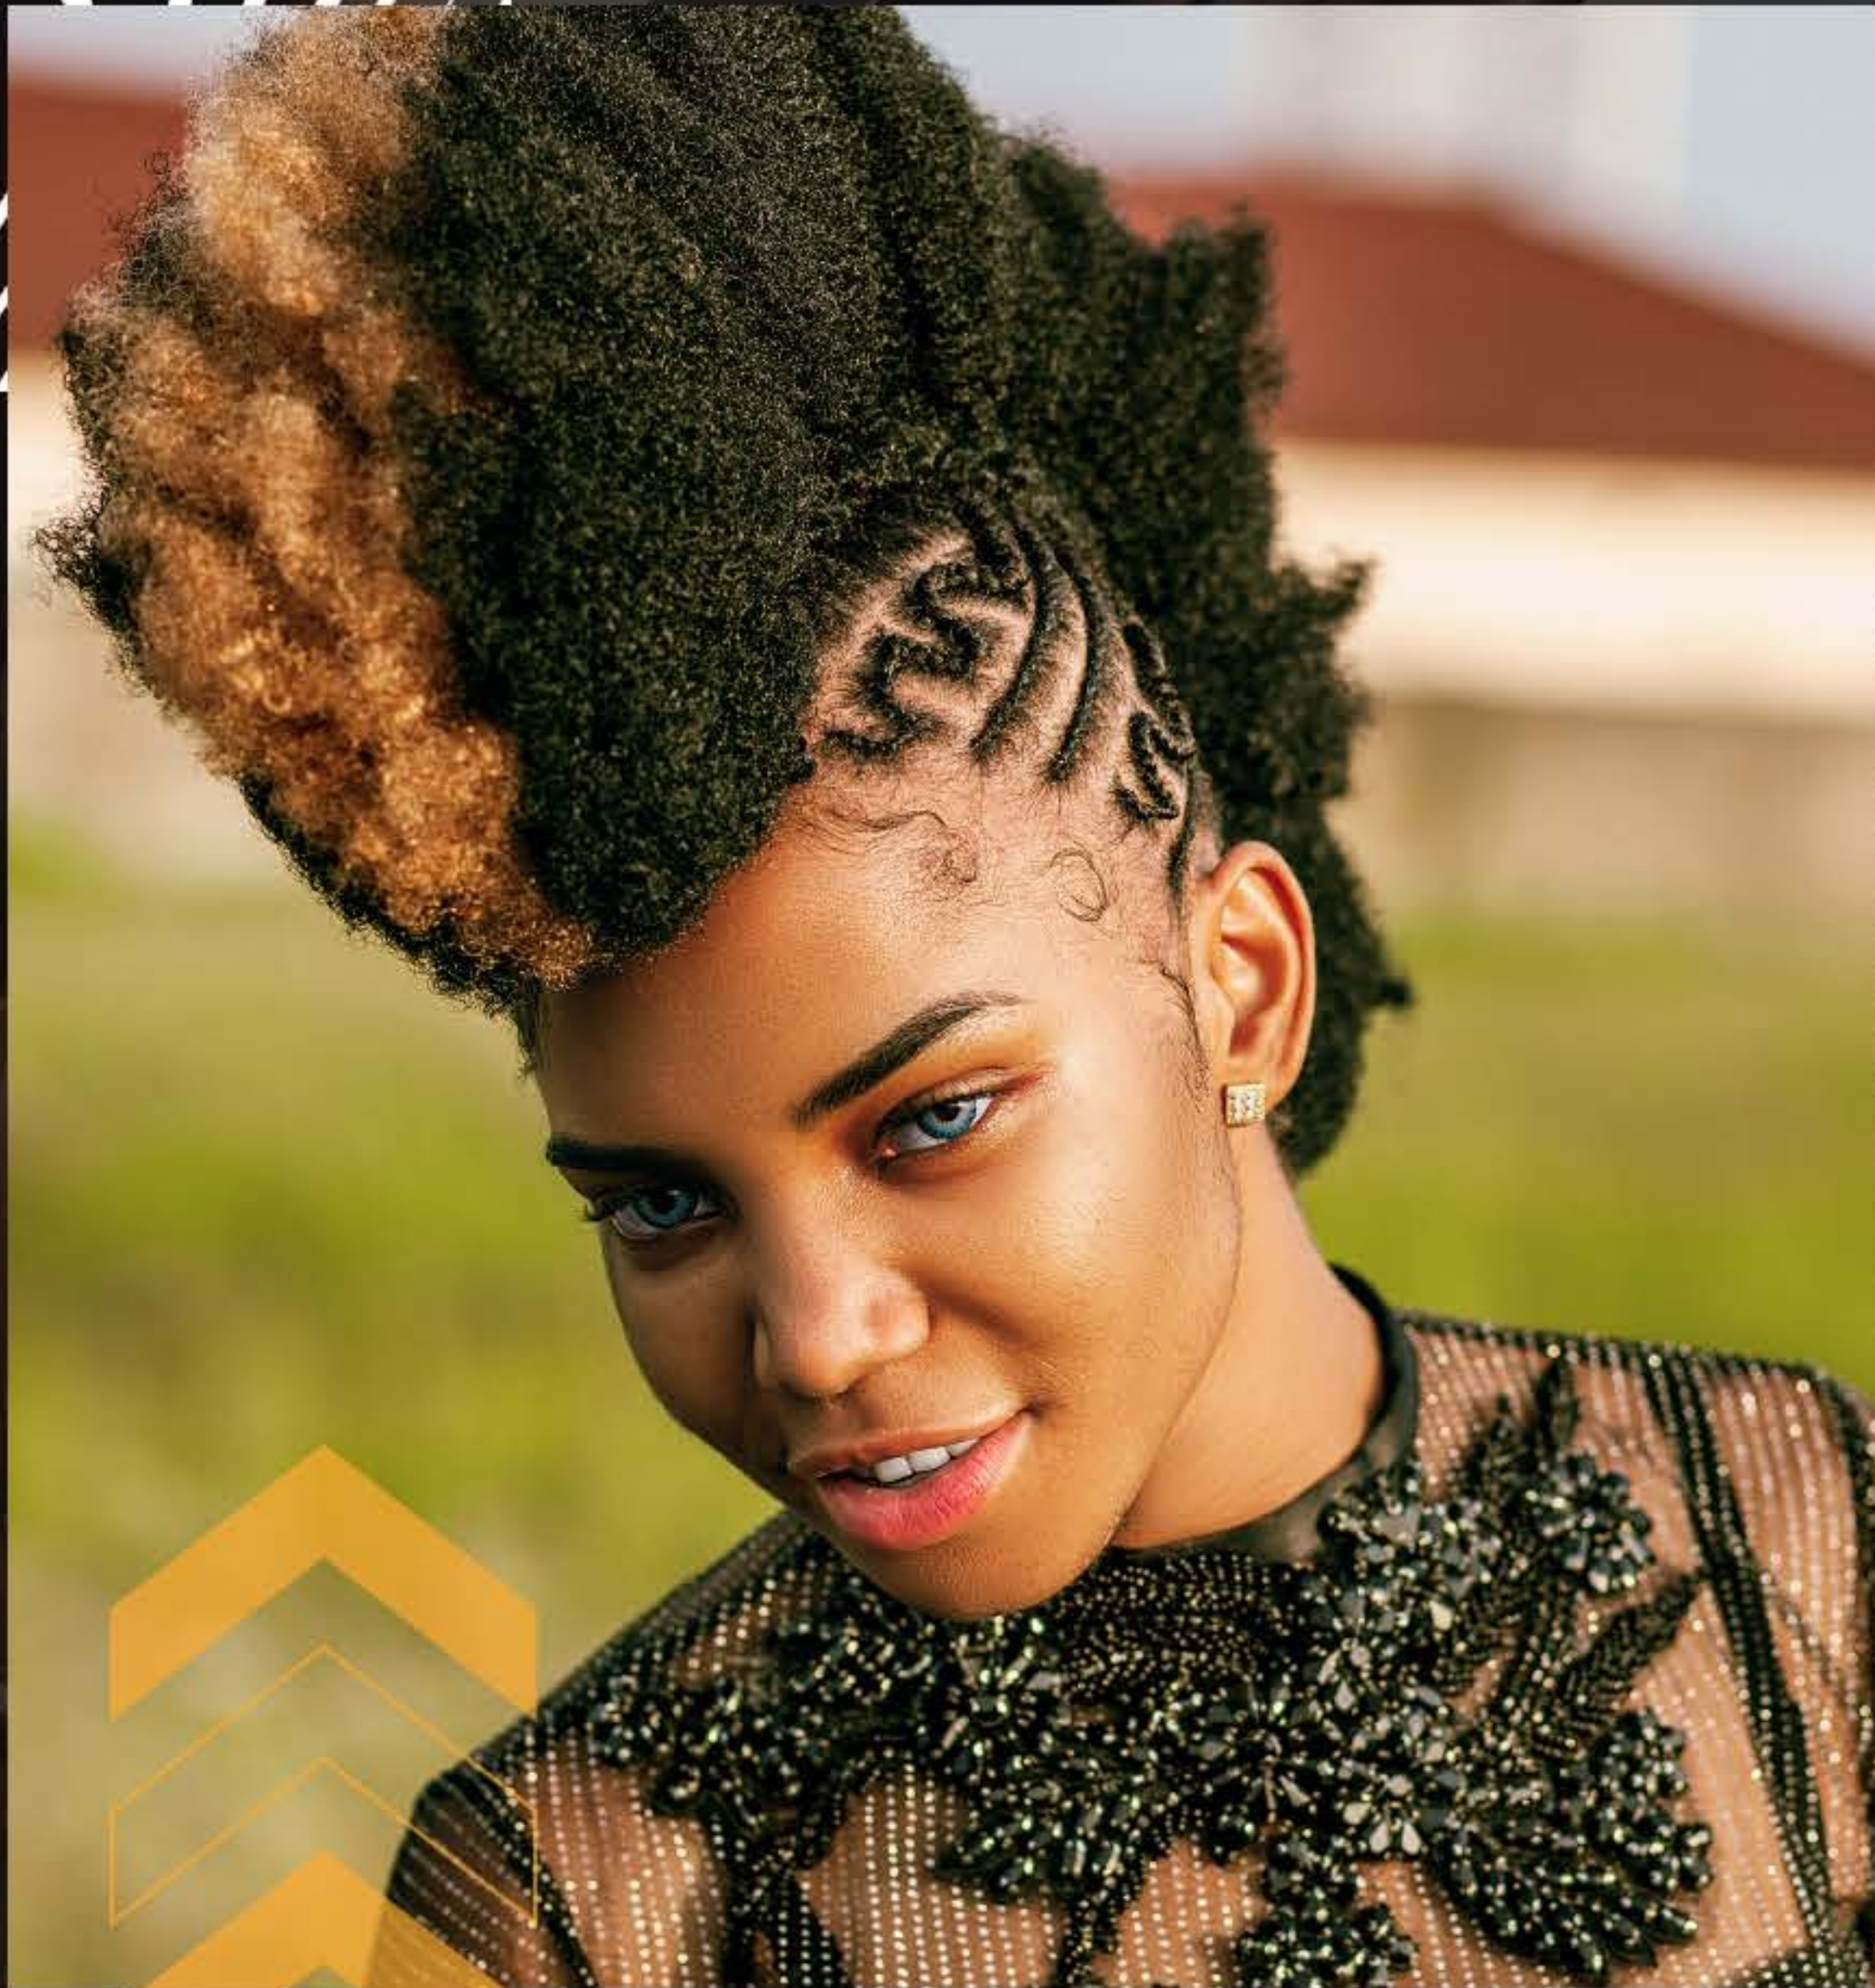

WHAT MAKES ME A UNIQUE ARTISTE

Apart from mastering the art of thrilling fans with her special performances, she has also carved a niche for herself as one of the few DJs who can successfully lace her performances with drums.

Commissioner DJ Wysei gained global recognition recently when she was named as one of the five high-flying female DJ's in Africa by CNN and BBC and she currently rated as the best female DJ in Nigeria; best entertaining DJ in Nigeria; only professional female drummer DJ therefore, now known as the drummer queen.
